Yes	47.37%	9
No	52.63%	10
TOTAL		19

Q2 If you answered YES to the previous question, please provide examples of the types of actions and measures you are taking (for example: taking temperatures at the door, providing on the spot testing, etc.)

Answered: 10 Skipped: 9

Unvaccinated employees are tested 2X's per week. Masks are required in the offices

Staggered times, distancing, sanitizing/fumigating weekly

1) Visitors asked to wear masks. 2) unvaccinated employees required to wear masks 3) vaccinated employees recommended to wear mask when away from workstation or in area where multiple people may congregate.

Mandatory mask wearing in situations where social distancing cannot be adhered to.

Social Distancing.

Taking temperature at entrance and monitoring visits. DPI provided to employees. Green pass check. Distancing.

Masking up and social distancing from visitors and asking visitors if they are vaccinated. Informing visitors that 100% of our employees are vaccinated.

Social distance, mask to be used when unable to social distance. \$200 for those getting vaccinated.

Testing for all visitors including employees from other sites. All non vaccinated/recovered personnel must test daily and have this data documented
