

President's Welcome

Welcome to ABMA's 105th Annual Convention. It has been my pleasure to serve our Association in numerous capacities over the years, and for an organization that is in its second century of service to the industry. It is exciting to know that we are still strong, vibrant and relevant. Get ready for a great experience and thanks for attending!

We are excited to be back to an in-person event for 2022 and in such a wonderful spot as the Hyatt Coconut Point. We are committed to provide you with a wonderful opportunity to expand your ABMA networking, education and participation with an exciting program this year. We are also very excited to allow your organization opportunities to share in the event and especially pleased to have your team participate in Face 2 Face Supplier meetings.

On Wednesday March 2 feel free to attend any of the various committee meetings as they are open to the membership and your input is welcome. Don't miss the All-Divisional Meeting on Wednesday afternoon, followed by an Industry Round Table event facilitated and led by the new ABMA Emerging Leaders. During the Paul M Miller Welcome Reception, you can network with friends, new members and others so everyone can get to know each other right away while having a great time. On Wednesday evening before the reception there will be a private event for the ABMA Emerging Leaders group, and another for New Members and First Timers. Please contact HQ if you would like more information or to join in.

Thursday our General Session will update the industry on ABMA Activities, followed by our speaker, Paul Long, who will aid our recovery by Connecting us to Life Through FUN. Paul's infectious spirit will show us better ways to motivate and connect to each other in our workplace.

Friday, we showcase the Face 2 Face Suppliers Display, another "can't miss" opportunity where you will be able to meet with many of your current suppliers and many suppliers new to the Association. During the Face 2 Face event our companion will be able to join a Trolley and Shopping Tour of Old Town Naples. Friday's afternoon excursion will be a relaxing Dolphin Eco Tour in beautiful Estero Bay. Friday evening get your Disco on at the Supplier's Reception where prizes will be awarded for best outfit, best Disco moves and other fun surprises.

On behalf of all of the Directors, I thank you for your support of ABMA. I trust that you will have ample opportunities for networking and I am sure you will enjoy your experience.
