

**American Brush Manufacturers Association
Agenda of the Meeting of the
Safety & Standards Committee**

<https://us02web.zoom.us/j/83661727640?pwd=a2RoUjhLYTdXeFI4WldYSTA2YWVsdz09>

Thursday, March 4, 2021

Zoom

Durango, CO

2:00 PM – 3:30 PM EDT

Mission Statement

The mission of the ABMA Safety & Standards Committee is threefold:

- 1) Recommend changes to existing standards;
- 2) Review proposed new standards; and
- 3) Develop means to assist Members in coping with their product liability problems. It advises members of new developments affecting the industry. Maintains liaisons with other industry organizations and standards development committees. Interfaces with the Product Liability Prevention and Defense Group and other coalitions seeking tort reform.

It is preferred that Committee members have a familiarity with standards writing and an engineering background.

- I. **WELCOME AND ANTI-TRUST GUIDELINES** *Charlie Coward, Chair*
- II. **REVIEW AND APPROVAL OF PREVIOUS MEETING MINUTES**
- III. **SAFETY SLIP PROGRAM**
 - A. Discuss Program- Pricing
 - B. Why is the green slip volume down to almost zero? 1MM on hand.
 - C. Manufacturers Marks
 - D. Licensing Program
 - E. Expert Witness Program and Agreement
- IV. **ANSI ACTIVITY**
 - A. Discuss Procedures Compilation - current year ASD Comply approval
 - B. Discuss any B165.1 revisions
 - C. Compliance (2021 Audit)
- V. **ASTM STANDARDS FOR BROOMS AND MOPS**
 - A. Report
- VI. **CA PROP 65 UPDATE**
- VII. **OTHER**
- VIII. **ADJOURNMENT**

**American Brush Manufacturers Association
Minutes of the Meeting of the
Safety & Standards Committee**

**Wednesday, March 20, 2019
Renaissance Vinoy
St. Petersburg, FL
1:00 PM – 1:50 PM**

Mission Statement

The mission of the ABMA Safety & Standards Committee is threefold:

- 1) Recommend changes to existing standards;
- 2) Review proposed new standards; and
- 3) Develop means to assist Members in coping with their product liability problems. It advises members of new developments affecting the industry. Maintains liaisons with other industry organizations and standards development committees. Interfaces with the Product Liability Prevention and Defense Group and other coalitions seeking tort reform.

It is preferred that Committee members have a familiarity with standards writing and an engineering background.

I. CALL TO ORDER AND WELCOME

*Charlie Coward, Chair
Brian Keiser, Co-Chair
Scott Enchelmaier, Acting Chair*

The meeting was called to order by the Acting Chair at 1:00 p.m.
In attendance were:

Brian Keiser, Co-Chair	Fred Spach
Scott Enchelmaier	Kevin White
Bruce Massey	Miguel Medrano
Carlos Petzold	John Cottam
Chip Preston	Imre Karetka
David Rodrigues	Mark Kappes
Gregory Miller	James Cottam
Larry Mell	Tim Hack
Mike Zimmerman	Thomas Cotton
Andy Mercer	Jason Sanec
Kevin White	Fred Spach
Scott Enchelmaier	David Parr, ABMA Staff

The Association's Anti-Trust Guidelines were recognized as governing the activities and discussions of this meeting.

II. REVIEW AND APPROVAL OF PREVIOUS MEETING MINUTES

A motion was made, seconded and passed to approve the minutes of the last meeting.

III. SAFETY SLIP PROGRAM

A. Discuss Program - Pricing

In the recent past a member proposed ABMA put a glue dot on smallest folded safety slips. Committee members when asked indicated that they had no interest in this application.

B. Manufacturers Marks

Manufacturers must have the ABMA mark on their products to comply with B165.1.

C. Licensing Program

The slip licensing program was reviewed for the committee.

D. Expert Witness Program and Agreement

The ABMA can act on a manufacturer's behalf for litigation purposes. The program was reviewed for the committee.

IV. ANSI ACTIVITY

A. Discuss Procedures Compilation - current year ASD Comply approval

ABMA has received compliance certification for 2020.

B. Discuss any B165.1 revisions.

B165.1 – 2019 was revised and approved in January 2019.

C. Compliance

There are no compliance issues at this time.

V. ASTM STANDARDS FOR BROOMS AND MOPS

A. Report – an update was given to the committee. No action taken.

VI. CA PROP 65 UPDATE

No updates to report.

VII. OTHER

There was an added agenda item regarding the coronavirus issue. Travel restrictions, concerns about supplies coming from overseas, employee anxiety regarding working with other employees who have traveled to areas where the virus is prevalent, and customers requesting businesses to not send sales people to see them, particularly international sales people were all discussed.

Additionally, the issue was raised of NIOSH or OSHA reevaluating and reclassifying their threshold levels in response to CA Prop 65. Would this require changes to SDS's? Staff to inquire to NAM or others.

VIII. ADJOURNMENT

There being no additional business the meeting was adjourned at 1:34 p.m.

Respectfully Submitted

A handwritten signature in black ink, appearing to read "David C. Parr".

Subject: RE: 2021 ASD Compliance Form - Please return by March 1, 2021

Hi David –

I hope all is well.

Thank you for your submission of revised procedures. The Executive Standards Council has asked staff to hold off on reaccrediting an ASD that submits revised procedures for reaccreditation if they have an audit scheduled in the next 6 months, just in case there are additional changes that the audit identifies that need to be made. You can resubmit (along with any additional ones) once the audit report is issued.

Please feel free to contact me or Jay Moskowitz if you have any related question in the interim. Thank you.

Best,

Jim

Subject: ABMA Pre-Audit Call

Dear David,

Happy New Year.

Thank you again for your submission.

Lois Ferson (ANSI Auditor) and I would like to have a pre-audit call with you.

The call should take 2 – 2.5 hours or so give or take (depending on our discussion).

I plan to cover:

- * Timeline for the process
- * Logistics (i.e., cover the types of documentation to be provided, in what format will the records be provided, which standards will be audited, etc.).
- * Questions Lois and I have based on reviewing your procedures and completed questionnaires
- * Any questions you may have

TRILINGUAL SAFETY SLIPS

For several years the Safety & Standards Task Force of the Industrial & Maintenance Division has directed the supply of safety slips offered by the ABMA to the industry. Recently, changes were approved that revised the prices for safety slips.

The printer will print the trilingual slips on white paper using background color coding of the slips to ease shop floor control. The finished page size, with no bleeds, is 4.00" X 4.01 flat.

All prices are F.O.B. Bayard Printing, Williamsport, PA net 30 days and are as follows, per slip:

ANSI B165.1

In order to be allowed to participate in the ABMA Safety Slip program, it is required that ALL PARTICIPANTS must provide the following certifications:

Your organization has purchased ANSI B165.1 and agrees to abide by the manufacturing rules and specifications contained therein.

Your organization verifies it is the manufacturer of the products that utilize the safety slip, or has its manufacturer make the certification to ABMA through you.

Your organization agrees to abide by the policies as established by the ABMA Safety and Standards Committee as they pertain to the use of the ABMA Safety Slip.

MANUFACTURERS MARKS

In order to be allowed to participate in the ABMA Safety Slip program, it is required that ABMA must keep on file a record of your company's manufacturer's mark, effective immediately. Please send your manufacturer's mark to ABMA as soon as possible to avoid any delays in order processing.

Each company that uses these safety slips supports this industry standard as a means of helping to inform the safe operation of industrial brushes. All proceeds from this program are used to maintain the ANSI National Standard B165.1, "Power-Driven Brushing Tools – Safety Requirements for Design, Care and Use". ABMA appreciates your interest in and support of this program.
