

ABMA FOUNDATION AWARD APPLICATION

The ABMA Foundation is now accepting applications.

The ABMA Foundation Endowment Funds assists industry employees and their families based on need. The Kathy K Parr Memorial Endowment Fund awards an annual \$2,500 Kathy Parr Memorial Scholarship. This money will be awarded to a high school age or older applicant who desires to improve his/her knowledge and understanding in the field of manufacturing related activities.

Deadlines for submittal of applications are stated therein.

Consideration will be given to funding The ABMA Foundation Endowment Award:

- Need based application ABMA Foundation Endowment Funds

Consideration will be given to funding The Kathy K Parr Memorial Endowment Award:

- Coursework, certification or training work in manufacturing related field.
- Continuing education courses that may advance the applicant towards a career in manufacturing.
- Continuing education courses that provide credit to obtain or maintain professional licenses and affiliations.
- Non-credit courses that are aimed at improving specific skills which will benefit the individual, their employer and the employee, in the performance of the individual's or employee's responsibilities and improve the applicant's potential for advancement.
- Courses that may be unrelated to an employee's position but are needed to complete a degree that would be job related, e.g., social science as a requisite to a Bachelor of Business Administration degree.

Grant monies will be awarded by the ABMA Foundation based solely on the information provided in your application. Course cost may include tuition, books and fees. Grants may be awarded for courses that are already completed if application is made within ninety (90) days of course completion date.

Please submit completed application to: ABMA Foundation, 736 Main Ave Suite 7, Durango, CO 81301-5479 by the deadline date.
